FROM : EA/DDCI

1. During his recent trip [redacted] the DDCI was advised that a March 1979 [redacted] established the requirements for which [redacted] was designed. Would you please advise him within about 10 days the currently planned distribution of [redacted] coverage for [redacted].

2. The DDCI would also like a comparison of SORS tasking of [redacted] to the additional "technical" tasking that NSOC does directly from NSA. He is particularly interested in the new mission guidance [redacted] NSA cabled to the [redacted] [redacted] in October.
